

Door Prize Raffle Ticket Information

Welcome to The Almost Heaven Star Party!

Each adult registrant in your group receives ten blue tickets free with registration. Each child in your group receives ten yellow tickets.

Door prize jars will be available in the program yurt or on the outdoor deck during meals. Place the “ticket” portion of one or more tickets in the jar for each prize you’d like to have a chance of winning. Don’t forget to keep the part labeled “keep this coupon”—you’ll need it later to claim a prize!

Additional tickets are available for \$1 apiece, or you can buy 12 for \$10.

100% of these ticket purchases go to Experience Learning!

Purchased tickets are Red

For the most part, they’re interchangeable with the free tickets you received, with two important exceptions—see below.

Blue (free) tickets only!

AHSP will be giving away a main prize(s) and we want to make sure everyone has an equal chance to win these higher-valued prize(s), so only the blue (free) tickets issued to adult registrants will be accepted in the drawing for this item.

Yellow (children’s) tickets

We have a few prizes especially for children. For these items, only yellow tickets (free, issued to each child participant) will be accepted.

We plan to hold the prize drawing prior to dinner on Sunday evening before dinner.

Ticket holders must be present to win.
